GRAND MONARCH'S MESSAGE

AQUINAS "MOE" EVANS

PROPHETS AND LADIES OF THE REALM:

Season's Greetings to One and All!

Susan and I are having the time of our lives traveling throughout the Realm and enjoying good fellowship and fun with as many of our Grotto Friends as possible. We have spotted whales off the Cape Cod shores, received commendations from the Governor of West Virginia and even crossed the London Bridge during our travels. Most important, we are spending time with the best people you'll ever find in North America - **the Prophets and Ladies of the Grottoes of North America**. We have loved every visit and look forward to seeing the rest of you during the coming months.

We are all fortunate to live in a land of freedom and opportunity. Without the men and women of our military, who have sacrificed to ensure our freedom over the years, we might live in a far different society. Please remember our Veterans in your prayers. Susan's charity this year, The Masonic Service Association/Hospital Visitation Program, is one way to remember them. More information is available on the Facebook page Lady Susan's Special Forces. If possible, have your Grotto plan a project with your local Vets and tell us about it at Lady Susan's Special Forces. And be sure to thank the Veterans you know. Veterans are often the backbone of our Grottoes, and we all have friends and relatives who have served our country.

I hope everyone has been able to see the new video which brings home so poignantly our mission with the Humanitarian Foundation. The Enchanted Lantern Program is the backbone of our funding. During my year as Grand Monarch, each Lantern purchase includes a "key" pin, which may be

Grand Monarch Aquinas "Moe" Evans and his lady, Susan.

worn on your fez throughout my year. This key recognizes you as a Key Player in putting a smile on the face of a Special Needs Child. In addition to the Lanterns, we now have new fund raising programs for corporate donations, dining out programs, Smile Fest Dinners and more. The more ways we can raise money, the more children we can help. **Put a smile on a child's face, and I guarantee it will put a smile on your face.**

Finally, we all know that Grotto is family, and we hope you will join us in Orlando July 2nd to July 7th, 2012 for a Grotto Family Reunion. We have lots of fun and fellowship planned, with special recognition of our country and our military.

*God Bless,
Yours in Good Fellowship,
MOE EVANS
Grand Monarch*

GRAND HISTORIAN'S CORNER — Ken Hutchinson, SC Historian

THOMAS PAINE

AN ENGLISH-AMERICAN WRITER

Thomas Paine became known as one of the greatest political propagandists in English history. His book, "Common Sense," published anonymously by Paine in January 1776, more than any other single publication was an instant best seller in the Colonies and Europe. It challenged the authority of the British Government and the Royal Monarchy.

The plain language that Paine used spoke to the common people of America and was the first work to openly ask for independence from Great Britain, paving the way for the *Declaration of Independence*, unanimously ratified July 4, 1776.

LIFE IN ENGLAND AND AMERICA

Born January 29, 1737 in Thetford, England of a Quaker father and an Anglican mother, Paine's formal education was just enough to enable him to master reading, writing and arithmetic. At 13 he began working with his father as a corset maker and tried various other occupations without success. Finally he became an officer of the excise where his duties were to hunt down smugglers and collect excise taxes on liquor and tobacco.

Paine's life in England was marked by repeated failures. He had two brief marriages. Just when his situation appeared hopeless he met Benjamin Franklin in London, who advised him to seek his fortune in America and gave him letters of introduction.

Paine emigrated to America and settled in Philadelphia on November 30, 1774. With brandy snifter and ink pot, his first regular employment was helping edit the *Pennsylvania Magazine*. In addition Paine published numerous articles. One such article was "African Slavery in America." Paine had arrived in America when the conflict between the colonists and England was at its height.

After the Battle of Lexington and Concord on April 19, 1775, Paine immediately began to write the small book titled "Common Sense." The book was published January 1776, thirteen months after his arrival in Philadelphia. The work impressed Thomas

Jefferson's Republican Committee and five months later, on July 4th, the *Declaration of Independence* was issued. The Declaration bears an uncanny likeness to Paine's "Common Sense." There is little argument Paine's words formed its working basis!

Fifty-six signatures of the famous document gave insight into the life and style of Thomas Paine. Eight signatures are known to have been Free Masons including John Hancock and Benjamin Franklin, who was Jefferson's right hand man in drawing up the Declaration. Paine was invited to Philadelphia by Franklin to help draft the Declaration.

Paine became a Mason before leaving England. He was deeply involved in their activities. There are undocumented claims of the role of Free Masonry's part in shaping the present world system. Free Masonry evolved in England in the early 1600s. Paine's success in his role as one of the architects of the New World Order had been a "shadow writer" contributor to the American Declaration of Independence. Paine argued the cause of America should be more than a revolt against taxation, but a demand for independence. He proffered this in "Common Sense," which when published sold 600 booklets. General George Washington even ordered it read by all the Colonial troops at Valley Forge.

Interesting enough, when Thomas Paine died, only six people attended his funeral.

MEMBERSHIP CHALLENGES 2011-2012

THERMOMETER MEMBERSHIP CHALLENGE

WON BY BENDEMEER GROTTO

Although Ibn Saud Grotto laid the gauntlet down and issued a challenge they would be the first Grotto to win the Membership Thermometer Contest, **the winner was Bendemeer Grotto**. Bendemeer Grotto was the first Grotto to record their new initiates on the Grotto Membership Thermometer poster and get it sent to the Supreme Council Office. ***They won the \$200 first prize! The prize level has changed to \$200.00 for every Grotto who completes the Thermometer and we challenge other Grottoes to complete their Thermometer and win the \$200.00.*** Pictured (l. to r.) is PGM Bernie Mitchell, Grand Treasurer Robert Jackson 33° from Bendemeer with the first completed thermometer and PGM Bill Wears.

VIP PROGRAM ENTITLEMENTS AND VIP UNDER 40 PIN

Any Prophet who sponsors a new member or reinstated member (who has been out of the Grotto for at least 13 months) between May 1, 2011 and April 30, 2012 will be awarded a VIP card, a special VIP gift and is entitled to attend the Grand Monarch's VIP lunch at the Supreme Council Convention in Orlando, Florida. In addition to the VIP Program, anyone sponsoring a new or qualified reinstated Prophet who is under 40 years old will receive a special "Under 40" pin.

KEY PROPHET EMBLEMS

Any Prophet sponsoring three (3) new or qualified reinstated members between May 1, 2011 and April 30, 2012 will be awarded a distinctive GOLD Key Emblem. Any Prophet sponsoring five (5) new members will receive a RUBY Key and for seven (7) or more new members a DIAMOND Key. A Prophet will receive one (1) key of the highest level he has earned. If in attendance at the Supreme Council Session, the key will be presented by the Grand Monarch "Moe" Evans.

MEMBERSHIP WINNERS GET FREE NIGHTS AT SC SESSION

The FIRST TEN Prophets sponsoring 10 new or qualified reinstated Prophets between May 1, 2011 and April 30, 2012 will receive one (1) FREE night stay at the convention host hotel during the Supreme Council Session. The FIRST Prophet to sponsor twenty-five (25) new Prophets will receive four (4) free nights at the host hotel.

INVITE MASTER MASONS AND NEW PROPHETS TO ORLANDO

The Supreme Council Session in Orlando at the Omni ChampionsGate Resort is an excellent opportunity to invite Master Masons and Prophets to experience what the Grotto is all about. On Thursday, July 5th, 2012 the Humanitarian Foundation will put on an outstanding evening program. And, if you have attended any of the Thursday evening specials at the SC Session, you know that this is an evening filled with excellent entertainment and the rewarding fulfillment of individual Grotto's achievements for our dental program for special needs children! If they can only attend one day at the SC meeting, encourage Prophets and Master Masons to attend this great program with you! Another great time to share the fun as a Prophet or a potential new Prophet is at the RED TASSEL PARTY on Saturday evening, July 7th. All RED Tassel Prophets will be admitted to the party at NO CHARGE. The theme of the evening will be the military entertainment organization "USO." This final party of the Supreme Council Session is filled with lots of laughs, awards and prize presentations and always guarantees a good time for everyone in attendance!

UNIT INCENTIVE PROGRAM FURTHER EXPLAINED

Apparently there has been some confusion regarding the Unit Incentive Program. The program was started to encourage Grottoes to form units that would improve the participation of their members and to **greatly** increase the public awareness of the Grottoes of North America. I applaud the Grottoes that have formed units, but many of them are not meeting the standard of **greatly** increasing public awareness. Just being in public at a restaurant or mall was not the intent. The intent was to have organized units **performing** in public events to a large scale audience, such as parades, fairs or festivals. Therefore I must inform you that some of the recently formed units may not be eligible to receive the \$500 Unit Incentive payment. I hope this does not discourage units from continuing to be active and I encourage Grottoes to continue to form units to increase participation and membership. Upon receipt of your request you will be informed if your unit will be eligible for the Incentive payment. *For additional clarification please contact PM Mitch Weinsting 33° Grand Master of Ceremonies by email at: mweinsting@centurytel.net*

HUMANITARIAN FOUNDATION MATTERS

Greetings, Prophets and Ladies, from Phoenix Consulting!

It has been our pleasure to meet many of you at regional conventions and at the Supreme Council convention last year. The Phoenix team has been working hard this past year to help the Humanitarian Foundation with public relations and fund raising. We count it a privilege to bring our 25 years of experience working with nonprofit organizations to help fund dental needs of your special children.

As many of you know, I have a personal interest in the program. I have a very special granddaughter and this story will tell you just how much she is looking forward to having a new smile, thanks to your generosity.

Chrissy showed a bunny at her local fair this past summer. After she won her ribbon for participation, she wanted me to walk through the bunny barn with her. To my surprise, instead of showing off her ribbon, she asked me to "show them your teeth, Nana." Chrissy then would announce that one day she would have teeth just like her Nana's. A new smile was more important to her than her bunny or her award ribbon! We are committed to help find and fund more children like Chrissy.

With your help, much has been accomplished.

Communications

- Assisted with training 42 Doctors of Smiles at a seminar last spring.
- Launched Poster Child contest; one child will be chosen at the 2012 Supreme Council convention.
- Season Greetings mailing sent to all Prophets with information about the dental program and ways you can become involved.

Community Outreach and Raising Awareness

- Revised and expanded the Foundation website (www.hfgrotto.org).
- Created a Facebook page.
- Contacted the Down Syndrome Association and participated in a Buddy Walk for 500 children and their parents.
- In an effort to find more children to help, we developed an awareness program with pediatric dentists in the U.S. Informational letters with brochures were sent to more than 600 dentists.
- Article placed in the Ohio Pediatric Dentists Association newsletter.

Fund Raising

- Increased donations by 80 percent over the previous year.
- A record \$34,000 donated at Supreme Council Convention in July – quadruple the donations from the previous year (\$8,000).
- Increase Enchanted Lantern purchases by 27 percent.
- Created the Forever Smiles Legacy Society:
 1. Recruited Chair Bob Pool, PGM, and Honorary Chair Don LaBarre, PGM, to lead the new Society.
 2. Signed up 23 founding members. This will bring in \$2 million in future donations to the Foundation and generate an additional \$100,000 in operational income per year.
- Set a new record of support from regional conventions: all but one increased the number of Enchanted Lanterns sold.
- Re-launched Fairchild Society with PGM Shuards Sutherland as Chair and PM Carl Schmitz as Honorary Chair, and increased memberships from 43 last year to 100 this year.
- Submitted 28 grants to foundations and corporations requesting \$985,000; assisted Grottoes with local Wal-Mart grant requests.
- Created a list of 860 companies that will match employee gifts to

the Humanitarian Foundation.

- Promoted a Restaurant Dine-In fund raising program.
- Established a grocery (Kroger) reward donation program

Much more needs to be done. Watch for and contact us about the following activities and plans:

Communications with Prophets

- Meet with Grottoes individually to educate Prophets about the work of the Grottoes of North America's official charity, the Humanitarian Foundation.
- Send monthly email blasts to Monarchs and Doctors of Smiles to keep everyone updated on activities and accomplishments.
- Look for Doctors of Smiles to serve as mentors for new Doctors of Smiles.
- Find Grottoes in every state to host Doctor of Smiles training.
- Seek nominations from every Grotto Association for the Poster Child contest.

Community Outreach and Raising Awareness

- Create Mason Awareness of Dentistry program; have a booth at state conventions and give presentations at Blue Lodge meetings.
- Seek opportunities to present to local Rotary Groups about dentistry program.
- Have a booth and give presentations at pediatric dental association conventions and at conventions of organizations like the Down Syndrome Association, United Cerebral Palsy, etc.

Fund Raising

- Seek foundations and businesses in your Grotto areas to offer opportunity to support our special children through their grant programs.
- Increase Fairchild Society members by 25 percent.
- Continue to build the Forever Smiles Legacy Society:
- Grow the number of founding members to 30 by April 30, 2012, which increases the potential future pay-out to \$3 million, which will spin off an additional \$150,000 in annual operational support.
- Create a recognition program for all founding members, including a special commemorative pin, honoring founding members at the Supreme Council annual convention, and having founding members' names engraved on a wall plaque at the Humanitarian Foundation office.

We appreciate and value your help with these projects. For more information contact Dianna Bristle at the Humanitarian Foundation office at 614-933-0711 or email Trudy at trudy@hfgrotto.org or Debbie at debbie@hfgrotto.org.

A SPECIAL THANK YOU FROM SPECIAL CHILDREN

We would like to take a moment to express our thank you for your assistance in providing dental care to our son Nathan. People have always commented about his amazing smile and happy spirit, but as parents it was also important to us to make sure his smile was healthy. Nathan was hospitalized for 4 months after birth and was taking medications. His doctors believe the medications caused damage to his teeth. With your help, we are confident his happy smile is also a healthy one!

Tim, Angela and Nathan

Dear Grottoes of North America:

Thank you for this wonderful program. We are thankful that God put this idea on your hearts to fill this need. This program is so important in today's climate. Thanks to your support and the dental work that Rachel received, she no longer cries all the time. We can't express how thankful we are. Thank you for putting a smile on Rachel's face.

With gratitude, Rachel's family

SUPREME MIGHTY CHOSEN ONE

Greetings Prophets and Ladies:

It is my distinct pleasure to bring you greetings from the Daughters of Mokanna and to introduce ourselves to those of you whom we have not had the privilege to meet. We want to thank the Supreme Council for allowing us to once again submit articles for publication in the Grotto Magazine.

We are a social organization for women related to a Veiled Prophet of the Enchanted Realm and or a Brother in good standing in a recognized Masonic Lodge AF & AM or F & AM. Our aim is to assist and cooperate with the members of the Grotto and bring into closer fellowship their families. We strive to aid and comfort one another and to promote and diffuse among our members sociability, friendship, charity, education, and patriotism. Our objectives are both social and philanthropic and our major humanitarian work is Dentistry for Children with Special Needs.

To coin the phrase "Real men wear fezzes" "Real women wear fezzes too!" Our fezzes and our delightful Persian names distinguish us as Daughters of the Mystic Prophet Mokanna and permit us to share in the fraternal good fellowship which is characteristic of the Grotto Prophets.

We look forward to attending the Supreme Council Convention every year and enjoy the fellowship and fun.

SELIM GROTTO

Minneapolis, Minnesota

The Selim Grotto Clown Unit brought out its float and several new clown faces to participate in the Anoka Halloween Parade at the end of October. The clown unit and float are used to spread the word about Selim Grotto and the Grotto's charitable projects for special needs children. Selim encourages Prophets to join their "Plain Clothes Division" and wear their Fez and ride on the Clown's float to further promote Grotto. Prophet Larry Jensen says there is always room for more clowns!

DURING THIS SEASON
OF GIFT GIVING!**

The Humanitarian Foundation of the Grottoes of North America encourages you and your circle of influence (*family, employer, co-workers, friends*) to consider the purchase of an Enchanted Lantern or contribution or pledge as a gift in your name. Your contributions help support the many special needs children who are helped through the Grotto's Dental Care for Children with Special Needs.

Our program combines a unique partnership with qualified dentists throughout the US and Canada to help these children with the best dental care possible. Your generous contributions will help insure that our Charitable Trust will go into perpetuity to continue helping these special needs children for many years to come.

THE FINAL INSPECTION

The Soldier stood and faced God,
Which must always come to pass.
He hoped his shoes were shining,
Just as brightly as his brass.

'Step forward now, Soldier,
how shall I deal with you?
Have you always turned the other cheek?
To My Church have you been true?'
The soldier squared his shoulders and said,
'No, Lord, I guess I ain't.
Because those of us who carry guns,
Can't always be a saint.

I've had to work most Sundays,
And at times my talk was tough.
And sometimes I've been violent
Because the world is awfully rough.

But, I never took a penny,
That wasn't mine to keep...
Though I worked a lot of overtime,
When the bills got just too steep.

And I never passed a cry for help,
Though at times I shook with fear...
And sometimes, God, forgive me,
I've wept unmanly tears.

I know I don't deserve a place,
Among the people here.
They never wanted me around,
Except to calm their fears.

If you've a place for me here, Lord,
It needn't be so grand.

I never expected or had too much,
But if you don't I'll understand.

There was a silence all around the throne,
Where the saints had often trod
As the Soldier waited quietly,
For the judgment of his God.

'Step forward now, you Soldier,
You've borne your burdens well.
Walk peacefully on Heaven's streets,
You've done your time in Hell.'
