A MESSAGE FROM THE GRAND MONARCH

Prophets, Ladies and Friends,

Hoping this message finds you all well. Lady Angie and I would like to thank you for the very many courtesies extended to both of us the past seven years. As we embark in our year as your Grand Monarch and First Lady, we are looking forward to making new friends and spending time with old ones, promoting what we are all about: Fun, Fellowship and The Foundation.

FUN: That we should meet, enjoy and have FUN spending time together as fellow Prophets. By accomplishing this, it should serve as an example to all Masons, Prophets or not, of what our Enchanted Realm (founded way back in 1889 in Hamilton, New York) is all about.

FELLOWSHIP: A simple word, yet a very important concept. Masonry in general and our Mystic Order of Veiled Prophets of the Enchanted Realm in particular are based on this principle. It has been repeated millions of times over the last one hundred twenty-two years. This is what we are all about. Let us not just say it, Let's Do It!

THE FOUNDATION: This is the tie that binds us together, our Humanitarian Foundation. The thousands of special-need children who have been served by our charity. Our magic wand that makes us a very special group of Masons and Prophets. Our reason for being and existing. Helping those less fortunate than us. This is our call to battle. Our most important message to create new Prophets throughout the Realm.

As your Grand Monarch this year, my motto is Fun, Fellowship, and The Foundation.

In closing - back to basics, fellow Prophets around the Realm, back to what we are all about! A simple and effective way to promote who we are!

Yours in Good Fellowship,
Tali Atala, 33°
Grand Monarch

FROM THE DESK OF LADY ANGIE...

Prophets and Ladies,

It's my honor and privilege to serve as your First Lady for this term. I would like to thank you for your gracious and warm hospitality extended to Tali and I.

I have selected a Natural Genuine Freshwater Pearl charm with a heart. I always say "Peace and Love." Peace is often described as "kind, joyful, loving, friendly and beautiful." Love is helping one another with honesty, trust and respect. I feel that it is my obligation to work hard and sell as many charms as possible to aid the wonderful organization that we belong to.

All proceeds will be solely for The Humanitarian Foundation. The Foundation provides dental care for children with special needs. A child's smile is an expression of true happiness and joy. I truly ask that we join together and contribute to The Humanitarian Foundation as a whole.

In closing, again, thank you for the wonderful hospitality we have received throughout the Realm. I look forward to spending time with friends and making new ones. Love to all!

Sincerely,
Angelina Atala

FROM THE CHAIRMAN'S DESK...

Hello Prophets!

Unfortunately, National Grotto Day 2020 did not have the impact that we were all counting on due to COVID-19. Many Grottoes, due to their state and respective Grand Lodge restrictions, had to cancel their plans and reconsider the group's membership direction for the balance of 2020.

However, even with the restriction of the pandemic, Grottoes all over the nation are meeting virtually, utilizing Zoom or other virtual meeting platforms and are keeping in touch with their members. At the same time, Monarchs are inviting potential Prophets to virtual Grotto meetings, exposing these prospects to the fun side of Grotto. A smart way to Grotto on!

Which brings me to this — even though we are in the middle of a pandemic, driving membership in Grotto should not stop. As we move back to Lodge meetings that are incorporating social distancing, bring up Grotto whenever you can. Volunteer yourself to be the work of the evening in your Lodge where potentially Grotto is being discussed for the very first time.

Get creative with how your Grotto can underwrite the cost of a year's dues or reduce the cost of a fez. Spending a few dollars up front with membership incentives tied into the great story of Grotto makes for an appealing membership opportunity.

My NGD is looking at NGD '21 with new ideas to make our next event bigger, better and more sensational than in past years. Stay tuned for some exciting developments.

In closing, we all look forward to getting our lives both personally and fraternally back to normal and seeing you all again when it's safe. Stay healthy, my Brothers!

Fraternally,

Bob Siebold, PM, SCDD
Tri Po Bed Grotto, National Grotto Day Chairman

Top Line Signers, Prophets All,

The Membership Committee congratulates all on the hard work displayed to make National Grotto Day a success. Thank you!

As a reminder, we will issue a check for \$100 once a month to the Top Line Signer who brings in the most new initiates that month.

At the end of the membership year (from May to April), we will tally your new initiates and any Top Line Signer who brings in 3-4 new members will receive a gold key, 5-6 new members a ruby key and 7 or more a diamond key.

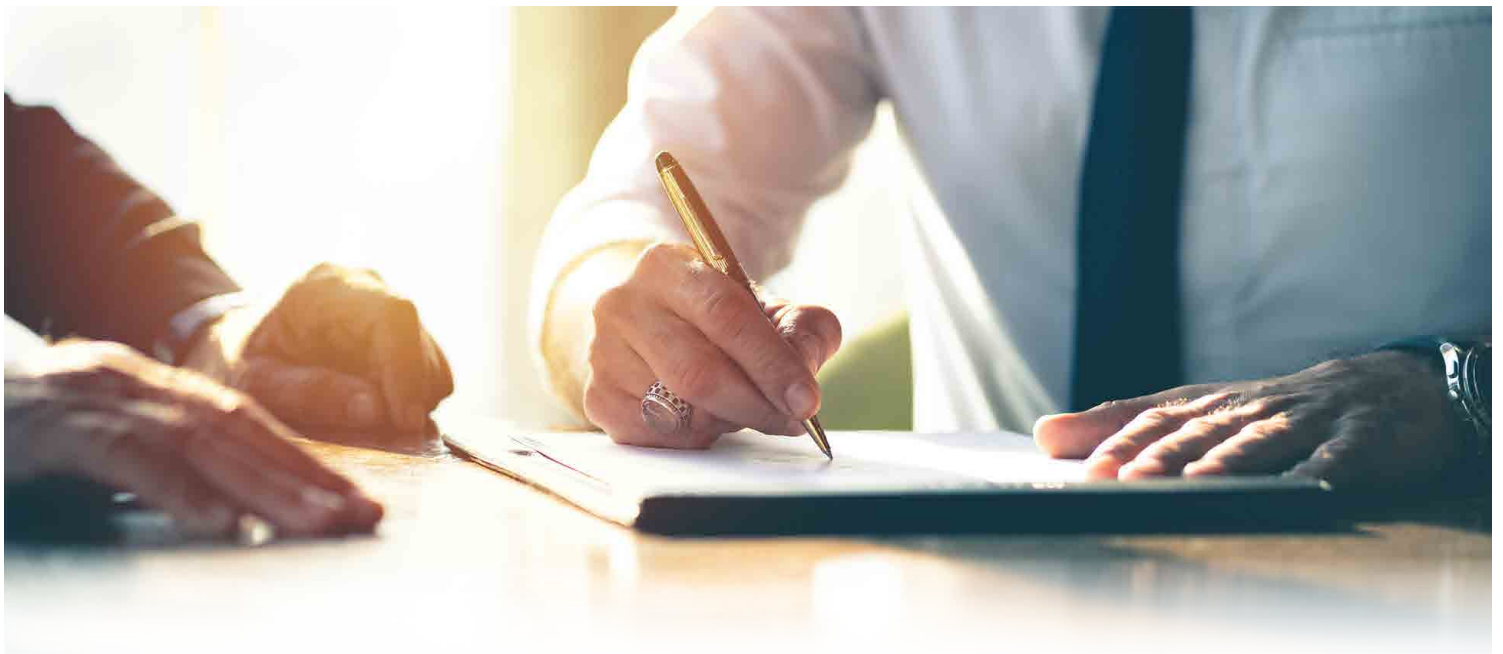

We held a VIP breakfast in Louisville this year. This year any Prophet and their guest who brought in 1 new initiate was invited to the free breakfast.

We will also continue the Master Mason Program and the Blue Lodge Hospitality program this year.

Thank you. You are doing great work and we truly appreciate you!

Yours in Good Fellowship,

Bernie Mitchell, PGM

As Grotto historian, I try to find interesting and uplifting history articles for you the prophets and ladies of the realm. Given the 2020 situation of Covid 19 and how it has impacted our Officers (at all levels) as well as Supreme, Association, and Grotto activities and conventions it causes for reflection. I chose to reflect and research the bylaws, rules, regulations and proceedings of how similar National emergencies impacted our organization and how it was handled. Joan and I visited your Supreme Council Office for reviewing the "PROPHETABLE IDEAS" (the early Grotto magazine) and the proceeding books and records of how this may have impacted the Grottoes of North America during the 1918 Spanish Flu, WWI, and WWII years.

To my surprise, very little was reported concerning a true relationship to the 1918 Spanish Flu years (1917-1919). It appears that the Grand Monarch of 1918-1919 continued to travel to Grotto and association events without interruption and both the 1918 and 1919 conventions proceeded as planned. The only reference to the illness (later known Spanish Flu) was in the Necrology Report for the 1919 convention in which it was recorded that the usual name list of deceased prophets of 1918-1919 would not be reported. This was reported as do to the large numbers of deceased prophets from the "Flu of the Fall 1918" and the losses of prophets serving in WWI. As I was discovering this Joan discovered an announcement in one of the 1945 issues of "PROPHETABLE IDEAS" reporting that the resolution passed at the 1943 Supreme Council Session would be activated thus cancelling the 1945 Supreme Council Convention as ordered by the ODT (OFFICE OF DEFENSE TRANSPORTATION - which only existed 7.5 year during the war). The Supreme Council was apparently informed prior to the 1943 convention that in the event the war continued for a prolonged period of time the ODT could and would stop travel to events such as conventions. Thus raising the question of how the business (and election) of the Supreme Council could and would be conducted. The proposed solution presented as a resolution at the 1943 convention, seconded and passed June 28th, 1943 at 2:00 pm was/is as follows:

"Be it resolved that if and whenever, in the opinion of the Grand Monarch, the Deputy Grand Monarch, the Grand Chief Justice, the Grand Master of Ceremonies, and the Grand Secretary, the present National War Emergency situation makes it impossible, impractical, or in any way contrary and averse to the national interest to hold an annual session of the Supreme Council, as prescribed by the Constitution, all the duties and powers ordinarily exercised by the Supreme Council shall be vested in and be exercised by a National Emergency Board, which shall be composed of the seventeen officers of the Supreme Council as listed in Article VII of the Constitution,

the Chairman of the Committee on Finance, and the Chairman of the Committee on Jurisprudence and Laws.

The acts of this board in such circumstances shall be of the same force and effect as if done by the Supreme Council itself except:

- (1) It shall not have the power to amend, alter, or change the Constitution or the by-laws and general regulations of the Supreme Council.
- (2) Its power to elect officers of the Supreme Council shall be limited to:
 - (a) Re-electing the Grand Secretary, the Grand Treasurer, and such Grand Trustees whose terms shall have expired (except in case of death or inability to serve) when they shall have full power of section and election.
 - (b) Electing the other officers by advancing them in line, the office or officers thus becoming vacant at the foot of the line to remain so until the next full and regular session of the Supreme Council shall have been held.

A full and regular session of the Supreme Council shall be called at a time and place selected by the said national Emergency Board within twelve months after the present National War Emergency is terminated by proclamation of the federal government."

As a Past Grand Monarch I had never heard of this (and as you are now asking yourselves) and is not printed in the Supreme Council Code book. This information was discussed with Executive Secretary and copies sent to the Grand Monarch, Deputy Grand Monarch, and chairman of the J&L committee for review and possible use (if needed) and possible addition to the current code book.

Thank you to our wonderful Supreme Council Office staff for their help and assistance in accessing the archives and office equipment for coping and preparing for mailing. Special thanks to my wife Joan for her co-researching and willingness to give up a day of vacation to complete our mission. I'm not sure that without her I would have found the resolution, since surprisingly the "PROPHETABLE IDEAS" article gave date and page of the resolution in the proceedings book. Hats off to the Supreme Council of 1943 for the wisdom to address a possible problem before it happened.

At a time when the value of history is being questioned I found this experience a fine example of why history is so important and why we keep the old proceedings books and archives.

Yours in Goodfellowship,

Mark L. McCombs, PGM, Grand Historian

“LeRoy’s Boys” is a financial giving opportunity named in honor of our Founder LeRoy Fairchild. It was born during the 128th Supreme Council Session in Indianapolis. After hearing the reports of the Grand Treasurer and the Grand Trustees, it is clear that the Supreme Council

is relying more and more upon the invested funds to cover the shortfall in our annual budget.

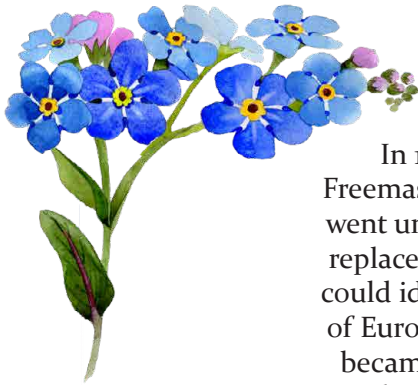

Ernest Sparks, the Monarch of Zaman Grotto, donated one hundred dollars to augment the Supreme Council’s invested funds. Other Prophets soon began to do the same. The effort was named “LeRoy’s Boys.” At the conclusion of the weekend, 185 Prophets had donated or pledged to the fund.

The opportunity to contribute is being extended to all who wish to donate. It is open to Prophets, Grottoes, Family, Friends, and other interested parties. The funds collected will be invested by our Grand Trustees and only the earnings will be used to help offset the operating costs of the Supreme Council. In return for your gift of \$100 or more, you will receive a certificate of appreciation and your name will be published in the Grotto Magazine.

LeRoy’s Boys donations are NOT deductible as charitable contributions for federal income tax purposes.

We thank everyone for their contributions and their dedication to the Grottoes of North America and LeRoy’s Boys!

Long live the Grotto!

The Forget-Me-Not

In 1934, soon after Hitler’s rise to power, it became evident that Freemasonry was in grave danger. Realizing this danger, the Freemasons went undercover and adopted a little blue flower, the Forget-Me-Not, to replace the Square and Compasses as the symbol whereby the Brethren could identify each other in public as well as in the concentration camps of Europe. In 1948, when Lodges reopened following World War II, this became the official Masonic emblem in honor of the valiant Brethren who carried on their Masonic work under very adverse conditions.

GROTTO NAME MEANINGS, CONTINUED

(Original Writings by Michael Wahl)

- Teheran:** Capital of Iran, at the foot of the south slope of Elburz Mountains.
- Tri Po Bed:** Originally named for three neighboring Lodges, Triune, Poughkeepsie, and Obed
- Van Zor:** No official records found. Possibly named after Vancouver
- Whango:** Perhaps named after the Whango River that rises at O TON TA LA, or named after Oswego?
- Xella:** No reference found
- Yalomed:** “DeMolay” spelled backwards
- Yedz:** A city of Persia near the mountain “After Quedah,” famed for its beautiful women and natives who worshipped the Sun and the fire
- Yubba:** Meaning “father,” used near the Arab Gulf
- Yusef Khan:** In 1459, he was Governor of Bijapur. He was Monarch of Cashmere and was conquered and captured by Akbar after being betrayed by his Omrahs (Lieutenants). Cashmere was a fair and beautiful shrine
- Zafar:** Meaning “victory” or “triumph”
- Zal:** In Moore’s tale, he was a young Persian and celebrated hero. He came at night to see his Rodahval, who let down long tresses to assist him in his ascent. He, however, managed it in the less romantic way of hooking his arm over a projecting beam.

AROUND THE REALM - ORMAZD GROTTO

The Florida State Grotto Association (FSGA) held their Annual Convention in Orlando, Florida, on September 19-21, 2019. The picture was taken following the Business Meeting on Friday Morning. Ormazd Monarch Manny Lozada, President of FSGA Jerry Haywood and Grand Monarch Michael Hosler conducted the meeting.

A list of items was resolved, plans were made for the future and officers elected for the following year. The officers for next year Kenneth

Mueller President FSGA, Craig Frazier Deputy President, Robert Latimer 1st Vice Pres., Paul Richie 2nd Vice Pres. and John Borsa Secretary/Treasurer. Approximately 35 people were in attendance including Past Grand Master Dale Goehrig.

A delicious luncheon was served to everyone. Other events continued throughout the weekend. Photo & article submitted by Jim Dickenson.

AROUND THE REALM - SELAMA GROTTO

Selama Grotto, located in St. Petersburg, FL, takes boys for the ride of a lifetime. Selama has a 1992 Pierce Lance fire engine. We use it for parades and recruitment visits to Blue Lodges. Rick Renshaw, PM and SCDD is the driver & engineer. He has a friend who has twin 13 year-old autistic grandsons.

On July 11, he drove the engine to their grandmother's, turned on the lights, pulled up to the house and hit the siren. The boys came running out, ready to go. Rick gave them their very own firefighter hats and loaded them on the engine for a 20-minute ride. The boys loved the ride, as did their mother and grandmother.

NEWS FROM THE HUMANITARIAN FOUNDATION

The Humanitarian Foundation Trustees would like to thank all prophets and their families for their support during these trying times. We know that this year has been tough on all of us. With that being said, we are still moving forward to helping as many Special Needs Children as possible. To keep you updated on what we have done, in the past year we helped over 600 plus children. None that applied were turned away. Without your generous donations this would not have been possible.

We would like to thank the Supreme Council Board of Governors for the privilege of serving on the Foundation board. We thank Grand Monarch Michael Hosler and Lady Janis for their support, and we are looking forward to working with Deputy Grand Monarch Tali Atala and Lady Angie in the coming year.

- Your Humanitarian Trustees

HUMANITARIAN FOUNDATION 70TH ANNIVERSARY PIN

We still have plenty of pins left for those of you who have not yet purchased your pin to help support the Humanitarian Foundation.

We will be having some at the National Convention in case anyone would like to buy them at that time. You will be able to get those at the display table Wed. Sept 9th through Fri. Sept 11 or at our program Thursday night.

Please consider getting your pin to show your support for the Humanitarian Foundation and the financial assistance they give to our Special Needs Children.

EVERY DOLLAR HELPS A CHILD!

HELP US BRING SMILES TO ALL OUR SPECIAL CHILDREN

The Dr. of Smiles Seminar will be held again this year at the National Convention. There are quite a few new Dr. of Smiles this year and this seminar could help them with some questions they may have. Some of the Dr. of Smiles who have been doing this for a while would be a huge asset to them. This seminar is just not for the Dr. of Smiles, anyone is welcome to attend.

Also, some time will be given to the Enchanted Lantern Program and Fairchild Program. Some issues have come up on how to complete the forms and other items. This will be covered to make sure everyone knows about the programs and how to complete the forms.

**PLEASE PLAN ON ATTENDING THE SEMINAR TO GET
INFORMATION AND HAVE ANY OF YOUR QUESTIONS ANSWERED
HOPE TO SEE YOU THERE. REMEMBER, ANYONE IS WELCOME TO ATTEND!**

Brother Roosevelt Helps Arthur Godfrey

During World War II, according to an often related story, radio personality Arthur Godfrey wanted to fly for the U.S. Navy. Turned down repeatedly, he sought aid from President Franklin D. Roosevelt, who was a Master Mason.

The President called in a Navy officer and asked why. The officer told FDR that the Navy couldn't give Godfrey a commission because of leg injuries he had sustained in an auto accident.

According to Godfrey, FDR said "Can he walk?" "Yes, he can walk," replied the Navy aid. "Give it to him," Brother Roosevelt answered impatiently. "I can't walk and I'm the Commander-in-Chief."
