## A MESSAGE FROM THE GRAND MONARCH

Dear Prophets, Ladies and Friends,

As my term as Grand Monarch comes to an end, I often reflect on the past eight years and what a great ride this has been! When the prophets elected me Grand Captain of the Guard at Nashville in 2013, I looked forward with great enthusiasm to my journey through the stations of the Grand Line. I knew I wanted to give my all to make a difference in our beloved fraternity, but little did I know of the abundance of friendship and cooperation I would encounter along the way. The places we have visited, the friends we have made and the fellowship enjoyed by Lady Angelina and I are beyond anything we could have ever imagined. There are no words big enough to thank all for this magical ride.

I was privileged to be received in all our Grotto Associations and was impressed that each has their own unique culture and traditions. The hard work that goes into the conventions is repaid in earnest with the “fun and fellowship” that they produce for all who attend. I wish to thank all who extended courtesies and went out of their way to ensure that Lady Angelina and myself were well taken care of. The meetings were informative and the hospitality was beyond imagination.

I am humbled that our realm grew this year with the creation of four new Grottoes: Artaban in Waukesha, Wisconsin, BeerSheba in Honey Brook, Pennsylvania, Kumntakit in Sugarland, Texas and Zara in Brooksville, Florida. This is unprecedented in our recent history and I am so very grateful and privileged to have been presiding when it occurred. Ultimately, membership is the most important factor in our success and the fact that there are Prophets wanting to start new chapters is a solid indication that interest in our fraternity is alive and well. The more Master Masons who are exposed to our “fun and fellowship,” the better our chances are for growth in the future.

For our Realm to thrive we must continue to engage and support each other in our Masonic Family. I have stressed this idea in all my visits this year and feel it is vital for us to survive. What will the brothers have to say in 20 or 30 years from now? Will they say our predecessors let us down or will they acknowledge the hard work and support that this includes our Blue Lodges, Grand Lodges and all of our Allied and Appendant Bodies. I hope that this message of unity and engagement will resonate in ALL of us.

The Humanitarian Foundation has endured some restructuring over the past few years and is doing well. Our mission must continue to provide Dental Care for Children with Special Needs and we must often rededicate ourselves to supporting this endeavor. Please continue to support your Grotto’s Doctor of Smiles and help him in whatever way you can to achieve success. Do your best to purchase Enchanted Lanterns and donate to the Fairchild Society. Have your Grotto do a fundraiser or go out and solicit donations. However, we must never forget that in order for our philanthropy to be a success, our fraternity must be on solid ground. If M.O.V.P.E.R. ceases to exist, the foundation ceases to exist. This means we must have “fun and fellowship” while supporting this great cause. Never forget this!

With all the positives of the past year, I must also touch on the Covid-19 Pandemic which has affected each of us. Oddly enough, there were positives that emerged from this event as well. As my year as Grand Monarch was approaching the world was falling into a health crisis. Governments were imposing safety restrictions and our Grand Lodges were doing the same. The effect was extremely detrimental to our fraternity as we found ourselves unable to assemble for meetings or social events. Our Supreme Session in Louisville was postponed for nearly three months and I wondered if my year would be nothing more than a struggle against this deadly virus. However, our Grotto family responded in a positive and caring way. Prophets began checking on each other and helping shut-ins with the basics. Phone calls were made and emails were sent. Brotherly love, sympathy and good fellowship were being practiced more than ever. Prophets were acting like Prophets and Masons should and I am very proud of this. The internet and its virtual meeting applications became the way for Grottoes and Associations to meet in the face of adversity and our realm functioned as best as it could. By September we were even able to hold Supreme in Louisville and it was well attended by those who were willing to participate. One by one our Associations began meeting again and things began to get back to normal. As we reach the end of my year, restrictions are easing and most Grottoes are meeting in person again. Although we are hopeful that we can put most of this crisis behind us, we must never forget the impact that it had on many of our Grotto family in terms of illness, financial hardships and even death. Please keep these people in your thoughts and prayers as Lady Angelina and I do.

As we speed towards June and our Supreme Session in Orlando, I want to extend an invitation to each of you to participate in the wonderful convention we have planned. Orlando is one of the vacation hubs of our nation and endless attractions and entertainment await you. We will be housed at the Rosen Plaza Hotel in the middle of all these wonders. Our session includes: tours to NASA and Medieval Times Dinner Show, Italian Group Dinner, Grand Opening Fiesta, Red Tassel Party, Turtle Degree, Humanitarian Night, Grand Monarch’s Banquet, Meetings, Luncheons, Hospitality Rooms and, of course, more “fun and fellowship” than you can imagine. Please review the information in this magazine and seriously consider attending this exciting event. I hope to see you there!

Yours in Good Fellowship,

Tali Atala  
Grand Monarch

Please submit your recipes by February 21, 2021 to be included in this book.

Dear Prophets, Ladies and Friends,

Greetings to all! Hoping you are all well, healthy and staying safe. I would like to sincerely thank all that have purchased my friendship pearl charm this year. All monies collected will be donated to The Humanitarian Foundation. If you would like a charm you can contact one of the Grand Line ladies or myself.

As another fundraiser for our year, I would like to create a cookbook. I ask that all Grottoes, Prophets, Ladies and Friends participate to make this cookbook a success. As with the charm, all monies will be donated to the Foundation. This cookbook will have numerous categories and will be available in June 2021. **HAVE YOU EVER BEEN ASKED:  
 “WHAT DOES THE SUPREME COUNCIL GIVE ME OR MY GROTTO?”**

Supreme Council gives each Grotto, Prophet, and/or Grotto Lady 32 opportunities to compete and possibly win money for their Grotto, Unit, or Individual as well as having the pure fun of competition. Categories include Music, (singing, instrumental), Clowns, Marching, Motorized, Officers, Balloon Making, Revels, Flag Patrol, Newsletter, Webpage, Hospitality Rooms, and even the Unique. The only true losers are the ones who could have but elected not to compete. Groto parades used to last 1-2 hours and competition was spread out over two and a half days in order to make sure there would be time for all to compete.

What a terrible shame it will be if competition is deemed unnecessary in the future because of a lack of participation! If you have won in the

past, you should compete to defend your title and give others the chance to compete against the past greats. No matter what other titles or duties you have at the convention, you are eligible to compete.

Still not sure? Call Supreme Council and ask for the rules in the competition that interest you, and see if it is the category for you or your Grotto. Don't quite know of a category for your talent, call Supreme or me and let's see what category your talent falls into. Seek out and encourage your fellow Prophets and Ladies to compete.

# ★ ★ ★ National Grotto Day ★ ★ ★

Prophets of the Realm:

It is of no surprise that 2020 was a difficult year for membership activities. While some Grottoes remained active, most were forced into hibernation due to COVID concerns and restrictions. The Grotto, like other fraternal organizations, was forced to pivot. The use of social media platforms like FaceBook and YouTube played an important role in staying in touch and sharing information with each other.

Something new - In 2021 we incorporated Zoom for use in conducting 3 meetings to discuss the planning and execution of a successful National Grotto Day event. This proved very productive and a great vehicle for Fellowship after business had concluded.

On behalf of the Supreme Council and Pro. Bob Siebold, National Grotto Day event Chairman, I want to thank you for making membership a priority in 2021. It is imperative for us to continue to grow to support the Foundation and maintain viability. I urge you to challenge the Membership Chairman in your Grotto to keep busy and to take advantage of the promotions offered by the Supreme Council.

Prophets, to quote our Grand Monarch Tali Atala, this is YOUR Grotto and you get out of it exactly what you put into it. I offer a sincere thanks for all that you do!

Victor L Mann, PM  
Grand Master of Ceremonies

The more I dig into Grotto history, the more I learn. The artifact that I found for this article is from *Prophatable Ideas*, February, 1942. The article begins “With each Grotto now required to stage 2 ceremonials yearly...” So, 2 ceremonials yearly was not the way it has always been done. I am not sure what the previous requirement was, so if anyone knows, I would like to know.

The article continues with “Our attention was called recently that one of our splendid Grottoes faced an expense item of \$900 each time a full-form ceremonial was held.” The article also explains that some Grottoes had expenses such as “rental of theatres and expenses incidental thereto.” \$900 in 1942 is now worth \$15,124.

Then the article explains ways to cut the cost:

“A number of Grottoes possessed with the scenery and equipment, built for theatrical stages, solved the problem of building an extra inexpensive set composed of drapes, which are so arranged and built that a ceremonial can be staged in most any kind of room. Illusion of the scene is further

carried out by the addition of small painted sets representing rocks, bushes, tombstones and the like. Drapes are so arranged with hooks and eyes that they can be hung almost any place and then taken down and stored away in suit cases. Samis, for instance, is one Grotto that has two sets — the one composed of drapes that is generally used when the class of candidates is small, and the other regular set built for theatre use, and this generally used when the classes are large enough to pay the rental and other bills incidental to theatre use. This idea is worthy of consideration.”

“Ormazd Grotto, at the Florida zone conference demonstrated what can be done along this line in a most splendid manner — equipment was ‘entirely homemade’ at a minimum of expense. They did a fine job both in staging and effects.”

The artifact that this article was taken from also addresses Imp outfits, but I will save that for another day!

## MESSAGE FROM THE HUMANITARIAN FOUNDATION TRUSTEES

We want to thank all in the realm for their continued support. Without it we would not be able to continue helping our children of special needs. We know it has been a trying time this past year, but with all your help no child, who qualified, was turned away.

We are continually working to make the Foundation better for everyone. We will be updating our website to make it more user friendly. The programs in the office will be revised to make it easier to obtain information that is requested, both for the individual prophet and the Grotto.

With your continued support, we will be able to continue to assist the families with special needs children for many more years to come.

We all hope this year is a much better one for everyone. Our condolences and prayers are with everyone who has lost someone dear to them during this time.

Your continued support will ensure that many more children can benefit from our program. Again, our deepest thanks to all of you.

Yours in Goodfellowship

# DR. OF SMILES SEMINAR

There will be a change in the Seminar this year in Orlando. The name of the seminar will be changing from the “Dr. of Smiles Seminar” to the “Humanitarian Foundation Seminar.” At this seminar we will be covering all the different programs of the Humanitarian Foundation.

We will answer any questions you might have on the different programs and hopefully give you a little more information. If you have any questions on anything regarding the Humanitarian Foundation you will have the opportunity to ask them at that time. This information is something you can take back and share with your Grotto.

Everyone is welcome to attend, and I look forward to seeing you in Orlando.

Again, thank you for the interest you show in our programs. We could not do the job we do without the support and contributions we get from everyone. Let us keep on giving these special children the bright smiles they all deserve.

## HUMANITARIAN FOUNDATION 70TH ANNIVERSARY PIN

We still have plenty of pins left for those of you who have not yet purchased your pin to help support the Humanitarian Foundation.

We will be having some at the National Convention in case anyone would like to buy them at that time. You will be able to get those at the display table Wed. June 30th through Fri. July 2nd or at our program Thursday night.

Please consider getting your pin to show your support for the Humanitarian Foundation and the financial assistance they give to our Special Needs Children.

**REMEMBER: EVERY DOLLAR HELPS A CHILD.  
HELP US BRING SMILES TO ALL OUR SPECIAL CHILDREN.**
