## GRAND MONARCH'S MESSAGE

Greetings Prophets and Friends,

It has been an exciting 6 months traveling the Realm and representing Grottoes International. First Lady Angelique and I are most thankful for the courtesies extended to us and never tire of seeing the familiar faces or tassels.

In addition to visiting individual Grottoes and Associations, I have had the pleasure of instituting multiple Grottoes since my installation as Grand Monarch. Shamaliu Grotto in New Jersey, Sin-A-Tra Grotto in Nevada, Ak-Sar-Ben Grotto in Nebraska, and Tejas Grotto in Texas are all now part of this Mystic Order. Thankfully, and not by accident, Grottoes International is experiencing growth not seen since the 1940s with our total membership back above 10,000 members after decades of decline. This was achieved with the addition of 33 new Grottoes since May of 2019 and there are dates to institute 6 others before June with more on the way... Make no mistake, these are the good days.

In keeping with my theme and focus, "**Membership & Fellowship**," Angelique and I look forward to seeing you in New Orleans, LA at the 134<sup>th</sup> annual Supreme Council Session taking place from June 2 – 9, 2024. It's going to be a great time in the Big Easy.

In Good Fellowship,

Victor L. Mann  
Grand Monarch

## FROM THE DESK OF FIRST LADY ANGELIQUE

Prophets, Daughters and Friends,

The Grand Monarch and I hope you all had a wonderful holiday season and wish everyone a Happy, Healthy and Prosperous New Year.

I write to you today as not only your First Lady but also as a Supreme Line Officer of the Daughters of Mokanna. For those of you unfamiliar with the Daughters of Mokanna, it is a fraternal organization for ladies founded in 1919. The purpose of our Order is to support Grottoes International in their efforts, and to provide fun, fellowship, comfort and aid to one another. Many of us lovingly refer to the DoM as the Ladies' Grotto.

The Grand Monarch's message of "Membership and Fellowship" is not only for the Grotto, it also extends to this beautiful organization that stands by your side. We are the wives, widows, sisters, mothers, grandmothers, daughters, aunts, nieces and cousins of our Grotto Prophets. Most recently, the DoM has opened up membership to ladies sponsored by a member of a Masonic affiliate recognized by Grottoes International.

Thanks to the vision and persistence of Grand Monarch Victor Mann, in June 2017 then Grand Monarch Mark McCombs and the entire Grotto Board of Governors agreed to offer an exciting opportunity to the Daughters of Mokanna to hold a special initiation ceremony at the Grotto's 127<sup>th</sup> Annual Supreme Council Session, as so many Daughters often attend with their significant other. Every Grand Monarch since has extended this offer to the DoM. As a result, membership in Daughters of Mokanna has significantly increased, with 5 new subordinate DoM locations.

Grand Monarch Victor Mann has once again, graciously offered this opportunity to the Daughters of Mokanna to hold a Special Initiation Ceremony at the 134<sup>th</sup> Annual Supreme Council Session, which will be held on Thursday, June 6, 2024 from 2:00pm – 4:00pm.

Please be sure to visit the Grottoes International or the Daughters of Mokanna website or Facebook page for additional information.

Sincerely,

*Angelique R. Mann*

## How to Deliver an Unforgettable Ceremonial (Mastering the Mindset)

by Pro. Frank J. Sforza, P.M.

If you're a Prophet and ritualist, you know that delivering your part in the ceremonial is a significant part of the experience. Whether you're performing a part in the ceremonial or giving a piece of a lecture, the way you deliver your part can make a significant impact on the audience.

The goal is to create an unforgettable experience that resonates with the candidates and Prophets long after the event is over. However, delivering a memorable ceremonial requires more than just memorizing the words. It requires a specific mindset that enables you to connect with the audience, convey the meaning behind the ceremonial, and make it a truly meaningful experience.

This mindset involves a combination of preparation, focus, and intention that allows you to deliver your part with confidence and authenticity.

In this article, we'll explore the mindset required to deliver an extraordinary ceremonial. We'll discuss the importance of preparation, the role of focus and intention, and practical tips for delivering a powerful ritual.

Whether you're a seasoned Grotto veteran or a newly initiated Prophet, this article will provide you with valuable insights and techniques that will help you take your ceremonial performance to the next level.

### Understanding the Importance of Mindset

When it comes to delivering your part in the ceremonial, having the right mindset is crucial.

Your mindset is the set of beliefs and attitudes that shape how you approach challenges, interact with others, and perform your duties. It influences your thoughts, feelings, and actions and can have a significant impact on your ability to succeed.

Having a growth mindset is especially important for Prophets taking part in the ceremonial. A growth mindset is the belief that your abilities and talents can be developed through hard work, dedication, and perseverance. It means that you see challenges and setbacks as opportunities for learning and growth, rather than as evidence of your limitations. With a growth mindset, you are more likely to take on new challenges, seek out feedback, and persist in the face of obstacles. You are also more likely to be open to new ideas and

perspectives, and to collaborate effectively with others.

On the other hand, a fixed mindset is the belief that your abilities and talents are fixed and cannot be changed. This mindset can lead to a fear of failure, a reluctance to take on new challenges, and a tendency to avoid feedback and criticism.

Therefore, to deliver an amazing ceremonial, it is important to cultivate a growth mindset. This means embracing challenges, seeking out feedback, and persisting in the face of setbacks. It also means being open to new ideas and perspectives and working collaboratively with others to achieve your goals.

### Preparing for the Ceremonial Mental Preparation

Preparing for a ceremonial requires a strong and focused mindset.

It's important to take the time to mentally prepare yourself before the ceremonial. This means clearing your mind of any distractions or negative thoughts that may affect your performance. Take a few moments to meditate or practice deep breathing exercises to help calm your nerves and center your mind.

Visualizing your part beforehand can also be helpful in mentally preparing yourself. This can involve imagining yourself performing your part flawlessly, with confidence and precision. This mental rehearsal can help build your confidence and reduce any anxiety you may be feeling.

### Physical Preparation

In addition to mental preparation, physical preparation is also crucial for delivering an impressive ceremonial. This involves taking care of your body in the days leading up to the event. Make sure to get enough rest, eat a healthy diet, and stay hydrated.

It's also important to practice the physical movements and gestures required for your part. This can involve rehearsing the steps and movements in front of a mirror or with a fellow Prophet. Practicing these movements can help you feel more comfortable and confident during the actual ceremonial.

Finally, make sure to dress appropriately for the ceremonial. Wear clean and well-pressed attire, and make sure your regalia is in good condition, or your costume is in good shape. This will not only help you look your best but will also help you feel more confident and prepared for the ceremonial.

# GRAND HISTORIAN'S ARTICLE

## Executing the Ceremonial

In this section, we'll explore each of these elements in detail, so you can be sure to execute your part flawlessly.

### Focus and Presence

When delivering your part in the ceremonial it's essential to be fully present and focused on the task at hand. This means letting go of any distractions or worries and being fully in the moment. Take a few deep breaths before beginning your part to calm your nerves and clear your mind. Once you begin, stay focused on the words and movements, and let the energy guide you.

### Emotional Connection

A powerful ceremonial requires an emotional connection with the audience.

This means delivering the words with conviction and feeling and making eye contact with the attendees. Take the time to connect with each member of the audience and let the emotion of the ritual flow through you. This will help create a powerful and memorable experience for everyone involved.

### Precision and Timing

Precision and timing are critical elements of a successful ceremonial.

Each movement and word must be executed with precision, and the timing must be perfect. This requires practice and preparation, so you're confident in your ability to deliver your part flawlessly. Take the time to rehearse your part, so you know exactly when to move and speak and can do so with confidence.

By focusing on these elements – focus, emotional connection, precision, and timing – you can execute a powerful and memorable ceremonial. Remember to stay present and connected with the audience and let the energy in the room guide you. It's easier said than done, I know, but with practice and preparation, you will be able to deliver a part that will be remembered for years to come.

### Reflecting on the Experience

After you're done, it is important to take some time to reflect on the experience. Reflecting allows you to learn from your mistakes, celebrate your successes, and identify areas for improvement.

Here are a few sub-sections to help guide your reflection:

## Personal Growth Opportunities

Reflecting on your experience can help you identify personal growth opportunities.

### Consider the following questions:

What did you learn about yourself during the ceremonial?

What skills did you use or develop during the ceremonial?

What skills or areas do you need to improve upon?

How can you apply what you learned during the ceremonial to other areas of your life?

## Feedback and Improvement

Another important aspect of reflecting on your experience is seeking feedback and identifying areas for improvement.

Again, I encourage you to ponder on some questions:

What feedback did you receive from others about your performance?

What feedback did you give yourself about your performance?

What areas do you need to improve upon?

How can you work on improving those areas?

Reflecting on your experience can be a valuable tool for personal growth and improvement.

Take the time to reflect on your experience and use what you learn to become a better performer.

And always remember... practice makes perfect so study, attend practice meetings and make sure you enjoy it.

In sympathy and good fellowship,

Pro. Frank J. Sforza, P.M.

## GRAND MONARCH'S TRAVELS

(Right and Below) It was a spooky time spent this Halloween in Niagara Falls, NY with the Empire State Grotto Association. Lady Angelique was unrecognizable, and a good time was had by all!

(Above and Left) The First Lady and I had a terrific time in Natick, MA attending the New England Grotto Association's fall meeting... and the American Heritage History Museum where I got to mount a tank!

## AROUND THE REALM

(left) Abaca Grotto spread Good Fellowship and smiles at a local community event.

(below) Chi-III Grotto participated in a plane pull, which was an event to raise funds to support Special Olympics Illinois.

(right) Amrita Grotto received their new Grottoes International banner, which is available from the Supreme Council office.

## AROUND THE REALM

(right and below) On September 10, 2023, members of Lier Grotto visited Point Lookout 9-11 Memorial in remembrance of those lost September 11, 2001. Each person in attendance spoke of their experiences that day and then were led in a devotional by the Chaplain.

(below) Shadukiam Grotto hosted a ceremonial at the Detroit Masonic Temple , which had a wonderful attendance.

We want your pictures! Want your pictures to be considered for the next Grottoes International Magazine? Submit pictures to [makayla.speelman@scgrotto.org](mailto:makayla.speelman@scgrotto.org) with subject line "Magazine Photo Submission" and a description of the event.

## AROUND THE REALM

(Left) Texas Grottoes participated in a parade, and of course the clowns were out!

(Below) Many Grottoes, including Zendah Grotto pictured below, participated in trunk-or-treat nights in October.

(Above) Sin-A-Tra Grotto held their first ceremonial.

(Right) Krazo Grotto participated in a Veterans Day Parade!

## A MESSAGE FROM YOUR HUMANITARIAN FOUNDATION TRUSTEES

To All Prophets, Ladies, Daughters of Mokanna, and Friends,

Hello again to all, as I write this message, we are still moving in a positive direction and moving into a new and exciting time for HF.

Our computer systems are being enhanced, our new Trustee P.M. Craig Frazier has implemented Zoom meetings with our Doctors of Smiles, and we are attending as many conventions as our schedules permit, such as Ohio Eastern Star, Daughters of Mokanna, and Association Conventions. All of the ones we went to, we spoke about our Charity and were very well received.

Due to the love you all have for this great program, I am truly impressed and thankful for all the donations we have received during our travels. Just a note, no matter how big or small the donation is it helps us make sure that **NO CHILD WILL BE LEFT BEHIND.**

So in closing for now, keep up the good work, and hope to see you as we travel around the Realm.

George K. Abraham III, P.M.  
Humanitarian Foundation Trustee Chairman

## Humanitarian Foundation

The Humanitarian Foundation is the official charity of Grottoes International, created in 1949 by the Supreme Council. A charity is an organization set up to provide help and raise money for those in need.

The money raised by the Humanitarian Foundation is used to provide help to children with special needs with their dental care cost.

Any child under the age of 21, regardless of race, creed, or color with qualifying condition is welcome to participate in the Dental Care for Children with Special Needs Program. The program uses a fee-based schedule to cover a portion of the child's dental care cost. Payment based on our fee schedule is sent to the dentist or anesthesiologist after the work has been done. There are 2 forms to complete for a child who may be eligible to participate in the program. All forms and information can be found on the Humanitarian Foundation website <https://hfgrotto.org/>

The Humanitarian Foundation raises money through Enchanted Lantern Contributions and the Fairchild Society. Prophets can also hold a Toothbrush Day or raise general donations for the Foundation.

Annual Enchanted Lantern contributions from Grotto members have become the backbone of the Humanitarian Foundation's fundraising efforts for nearly 60 years. For just \$50, you can make an Enchanted Lantern contribution to help support the Dental Care for Children with Special Needs Program.

The Fairchild Society is a donor program established by Grotto members. Named for the Grottoes' chief founder LeRoy Fairchild. Prophets and friends who join the Fairchild Society support the Dental Care for Children with Special Needs Program. You may join at any level and continue to support our special kids by adding to your donation each year and moving up through the Society.

The Toothbrush Program has been a successful venture for the Grottoes International and the Humanitarian Foundation. Prophets, out in the community, passing out toothbrushes make the public aware of the Grotto and its official charity the Humanitarian Foundation.

Additional information about the Foundation can be found on their website <https://hfgrotto.org/> or by contacting the Humanitarian Foundation Office Monday - Friday 8 AM - 5 PM EST by phone at (614) 933-0711 or by email at [hf@hfgrotto.org](mailto:hf@hfgrotto.org)
